**SEASON**

**“Your gifts will  
enrich the arts  
in education  
and ensure that  
this beautiful  
performing arts  
center will be  
enjoyed for many  
years to come...”**

## Letter From The APAF Chairman

It has now been three years since we opened this state-of-the-art venue for the performing arts. We have enjoyed bringing quality entertainment to the community and are pleased to continue doing so this season with an array of performances. Featured this season are Herb Alpert and Lani Hall, Hiroshima, ABBA/Night Fever, Daniel Ho, the magic of Gary Peterson, as well as a time-honored favorite, The Nutcracker. And, of course, superior performances by Arcadia High School's award-winning performing arts students.

The Arcadia Performing Arts Foundation's mission is to raise funds to support arts in the schools while maintaining this beautiful facility. A wide range of expenses, including maintenance, sound and lighting upgrades, and other related expenses are a constant. We hope that you will consider joining us in our mission by becoming a Member of the Arcadia Performing Arts Foundation. Your gifts will enrich the arts in education and ensure that this beautiful performing arts center will be enjoyed for many years to come, providing quality entertainment to guests young and old. Information on how you can be a part of the Foundation's efforts can be found in the back pages of this program.

We look forward to having you join us in making the 2015-16 season a very special one for all.

## History

The Arcadia Performing Arts Center you enjoy today is the realization of a long-standing dream for the residents of Arcadia to have a major center for arts and culture in our community. This dream was realized through the community's overwhelming support of Measure I in 2006.

The Arcadia Performing Arts Center is a gem among the many exciting improvements on the high school campus. This \$20 million, 40,000 square foot, state-of-the-art facility includes a main performance hall with seating for 1,200, a stage that holds 200 musicians, tunable acoustics, and professional lighting and sound.

In addition, the center boasts an orchestra room with practice rooms and music library, a dance studio with sprung wood floors, a professional stagecraft workshop, and a Black Box theater with its own professional control room and flexible seating that can host 125 guests.

It's been three years since we opened this wonderful facility, and we are pleased to say that we are thriving and well on the way to achieving our mission to making the Arcadia Performing Arts Center a cultural destination for Southern California and a state-of-the-art teaching venue!

## Mission

The Arcadia Performing Arts Foundation, a non-profit 501(c)(3) organization, was created to support arts education in the schools and is dedicated to maintaining the Performing Arts Center as a nucleus for the arts, education, and engagement where the lives of students and the greater community are enriched. The Arcadia Performing Arts Center is destined to be a world-class venue where lessons are learned, talent is fostered, and an impressive array of arts is shared and cultivated.

## HERB ALPERT & LANI HALL

### Come Fly With Us

The Arcadia Performing Arts Foundation is pleased to present as the cornerstone of our season – Herb Alpert and Lani Hall, kicking off their Come Fly With Us tour.

With eleven Grammy Awards between them, trumpeter Herb Alpert and vocalist Lani Hall infuse an eclectic mix of jazz, world, and American pop standards with their uniquely effervescent and joyful sound in their Come Fly With Us Tour.

Herb Alpert's legendary career includes five decades of unprecedented breakthroughs as an artist, record executive and philanthropist. In the past two years alone, he won his ninth GRAMMY® for 2013's Steppin' Out and received the National Medal of Arts from President Obama. As impressive as those accolades are, they may soon be overshadowed.

Come Fly With Me, his latest studio album (being released on September 25 via his own label, Herb Alpert Presents) is some of the best work of Herb Alpert's career, rivaling his classic Tijuana Brass output. His stirring new material is wonderfully complemented by fresh interpretations of some of the most indelible melodies of the 20<sup>th</sup> century.

A 2006 Rock and Roll Hall of Fame inductee, Alpert's albums have sold over 72 million copies, and 29 of his records have reached the Billboard 200. Herb has also dedicated his life to philanthropy, funding music education programs across the country.

## ARCADIA HIGH SCHOOL STAGECRAFT: A Hidden Gem of a Program!

If you've attended an Arcadia High School Theater performance, you were likely dazzled by sound, lighting, sets and costumes created by **AHS Stagecraft** class.

APAC Theater Manager and Teacher, Keith DeLuca, begins his course with a lengthy unit on safety, followed by training in using tools. This is a unique opportunity for students to learn woodworking, and for most students this is their first exposure to woodworking tools.

Stagecraft students choose an area in which to specialize such as lighting, set building, sound, audio or costuming. A set's overall design is the result of input from all Stagecraft students.

The students work together as a team, collaborating creatively, respecting each other's unique contribution, and developing respect for a variety of personalities. Leadership skills are developed as returning students mentor those new to the program.

Students learn the process of set design through coming up with a plan together, submitting it for input from Mr. DeLuca and AHS Drama Instructor Steven Volpe, then making adjustments according to the feedback they receive.

Stagecraft students are deservedly proud of what they create, enthusiastic about skills they've learned and adamant about the value of teamwork. The Stagecraft Program is a hidden gem. Through it, students learn skills that will benefit any future career they choose.

**“Stagecraft students are deservedly proud of what they create, enthusiastic about skills they've learned and adamant about the value of teamwork.”**

## THERE'S A REASON WE'RE THE LEADER

We're Forest Lawn. Since 1906, more families have chosen to come to us for their funeral and cremation needs than any other provider in Southern California. The reason is simple. We provide a more personal type of attention, a more professional level of service, and a wider range of price options. Drop by at any time and we'd be happy to show you how a little bit of planning can make a big difference.
